Dear children of Waldspielgruppe Oberwil,

We at Home from Home in Cape Town, South Africa want to thank you most sincerely for your kindness and thoughtfulness in raising funds for us. We are nearly 13 000 kms away from you, but you thought of helping us. We feel very touched by your heartfelt gift.

Things have got very expensive for us since Covid started in South Africa, so a gift like yours helps us to make sure that the children can have a Christmas party. We have 36 homes where a maximum of six foster children stay in each home. The pictures that we have attached with this letter are from one of the homes in an area called Westlake in Cape Town.

The children were so happy to get the news of your 'cheque' of money that they hung this picture of the cheque up on their notice board where all their best pictures and paintings are hung.

We hope that you all have a wonderful Christmas and new year and that you feel very blessed by your generosity to us on the other side of the world.

Many heartfelt thanks

Peter
